- **When you arrive you will receive a Poker Chip valued at 1,000 "Casino Cash."**
- **When the tables open you will cash in that chip to play on any of the tables. Zero experience is needed and our dealers are eager to teach you how to play!**
- **If the house wins, and you need more chips to play with, there will be volunteers around the room ready to assist. \$20 will buy you another 1,000 "Casino Cash" and \$50 will get you 3,000! Have fun and remember it's all for charity!**
- **Towards the end of the evening, you will be able to convert any remaining "Casino Cash" back in for raffle tickets (1,000 "Casino Cash" = 1 ticket).**
- **There will be a variety of raffle prizes to win; we will draw tickets at 9:30. You must be present to win.**
- **In addition, we will have our traditional Silent & Live Auctions for you to bid on, as well as a "Wine Pull" where you can win a surprise bottle of wine for \$20 and a raffle for the chance to win \$250 in scratch tickets!**
- **While we know some of you would like to reserve tables like in past years, we do not have that option available due to the room required for the gaming tables. There will be tables & hightops available for eating, but we encourage you to mingle and if you need a rest, take a seat at a gaming table!**
- **Please consider bringing cash and/or checks for the event. We will accept credit cards, but cash will allow us to avoid processing fees and checks will expedite the check out process. Thank you for your support and we look forward to seeing you on October 4th!**
